Jerry was our client, neighbor, and most importantly, a very dear friend to us. We loved the stories he often shared about his wife and family. How he loved to take her dancing every weekend. Watching him as he drove around the neighborhood with a smile because he was still so independent. He was such a great man and will be extremely missed by all those he encountered. Sending lots of light and love to all those that are affected by such a great loss. May you rest peacefully in Heaven, Mr Jerry! 🙏
