“ Mrs. Key,, Scotty, Stephanie, amd Jennifer,

I can't begin to express how sad I am about your loss. Mr. Key was essential part of childhood because I knew you as a family, the unit, the stronghold, the Keys.... With fond memories and prayers, my heart

“ There is a poem Gerry might share with us now if he could.....

I give you this one thought to keep-

I am with you still-I do not sleep.

I am a thousand winds that blow,

I am the diamond glints on snow,

I am the sunlight on ripened grain,
