“ I loved my papa. I'd also like to mention ALL of his grandchildren, Brooke and Justin and great grandchildren that were conveniently left out of the obituary, Hunter, Savanna, Cora, Lily, and Kyle. May he rest in peace knowing he made everyone of us kids feel loved. My best memories were from Justin's wedding in Hawaii. They were truly happy there. Love you Papa. Aloha 🌈

“ To the Ross family. You all have my deepest sympathy and prayers. I knew him as Jerry. I worked at Straus Frank/CARQUEST for many years. He was our CARQUEST Filter rep. He was a pleasure to work with. God bless you all

“ Although I did not personally know Mr. Ross, I knew him through Bubba. Bubba and I have been friends for a few years and he would tell me about his love and frustration he had with his father. (Nothing that the rest of us don't feel.) Ross family, please know that my prayers for peace, grace and patience are being said a number of times a day for all of you.

“ *When we were together for family visits there was always laughter involved. Jerry always enjoyed having fun and spending time with his family. I believe his true love was first Aunt Charlene of course and then second and nothing else in it's place was his Grand Children. He was always protective and wanting to make sure they were taken care of.*
