“ My father Teofilo "Grandpa" Sanchez worked for Jerry 37years until he sold his company. I remember the company Christmas party as a 5yo kid, and Jerry leaning his "good ear" down to me. "Grandpa" last spoke with Jerry about 8years ago on Jerry's birthday. My Dad this evening told me,"Jerry was always a good & honest man. God bless him. Dios lo bendiga."

Jerry has a special place in my heart and in my whole family's heart - Jerry always had a warm friendly smile and welcoming soul. He would ask my Dad how I was doing all the way through high school to my graduation from medical school and when I opened my clinic. Jerry was all heart, puro corazon, more than any single word could encompass. Jerry was a cadet, an Aggie, a business owner, a husband, a son, a brother - He is so much more than these descriptions. Grandpa Sanchez & Family Sanchez send their love, condolences, tears, memories and prayers to Jerry Albert and his loved ones. May God embrace him and welcome Jerry into the highest heaven. May Jerry know God's love and peace.

Matthew 5:4

“ *There are many memories of my uncle that pass through my mind because we are family. Next to Jesus, family was a very important part of his life and I am proud I was a very small part of it.*

May God continue to richly bless this family with the lasting memories of my Uncle Jerry!

“ To a man of honor, a great friend to our family, and apparently a terrible poker player from what I hear!

Thank you for the many years of friendship with my Father (John) and Uncle (Robert). Watching the "old school" interact and share laughter helps maintain a sense of sanity in our chosen profession.

We also appreciate the always kind words spoken in our regard proving there is no such thing as competition rather only honor and respect as one would expect from a proud Aggie.

Until the next Mr. Albert.

“ I proudly wear an Aggie ring (Class of 1980) due in no small measure to Mr. Albert. From mentorship on how to "survive" the Corps, to how to keep my grades up (which apparently i conveniently forgot), and even summer jobs between semesters, his smile, and affection whenever we met is a memory I will cherish the rest of my life.

“ Sandy and Gary Nagel are dear friends of Steve s and Lanie Albert. We spent many good times with Jerry and his children at Teka Molina Mexican food restaurant on San Pedro. We enjoyed being at Jerry's house cleaning up shrubs and removing vegetation that Jerry planted many years back. Jerry was ready to take Steve and me to lunch after a hard morning of cleaning the yard.

Jerry Albert was a very special person and friend in the life of Sandy and Gary Nagel.

As Steve said He is gone but not forgotten.
