Tribute Wall

“ We were blessed with 50 years of memories! At times, those memories were a bit much for you because I NEVER learned when to stop 🚫 I vividly remember your door being closed with force, but it wouldn't be closed long. We supported each other without hesitation. I wouldn't have completed my last semester of graduate school if you hadn't paid for it. You did it without me asking. For all the road trips where you graciously drove because my driving would be too adventurous for the passengers and for the times you would go with me so I could have a traveling companion, thank you!!

My deepest condolences to the Gonzalez family sorry for your loss. I used to work with German in the maintenance department at Cardell cabinets. He was a good hard worker someone you could depend on for help he will be truly miss.

German was a great man and was one of my best friends. We saw our children grow up and become young adults. His faith in God was his foundation and he lived for Him on a daily basis. I was blessed for having him as a friend. You will be greatly missed by all. Rest in peace my friend.

German is a man with few words dedicated to his family, work, and to his faith. I'm so lucky to be one of his friends, I attended his family party at the valley I was amazed so many people were there, he's well liked by us in the maintenance department I will surely miss you my friend especially when you say (come on mapalo)

He spoke of you with great fondness. A true and loyal friend. Thank you very much for bringing him joy during all the years you worked with my brother.
