“ *What a joy and blessing it was to spend time with Trudy. We loved her sense of humor, her love of life and music, and her love for Bill. Trudy was a gentle and beautiful soul. Our world is a better place for your presence. Bill and family you are and will be in our prayers. Sandy and Nancy*

“ *Trudie was a very joyful person. I enjoyed hearing her stories when I visited her and Bill. I will always remember her straight-forward advice to me when I was fretting. One time I was worried about too much rain in Montreal. She said to wear a raincoat. Another time, I was disappointed about going abroad. She said to do it, enjoy it, and come back. I will miss her.*
