“ I worked with gilbert at the patrician movement for almost 5 years. He was such an inspiration to many clients in recovery. He made me laugh many times. But he was also a very serious man, that at times was full of wisdom and focus. He told me many secrets related to Patrick Clancy and Sam Salas. I will one day pay him all back. Thanks Gilbert.

“ My respects to this man, and sympathies to his family. Gilbert was a remarkable person who led an interesting life, with lots of outstanding accomplishments. I was lucky to have met him, and learned from him, if only for a few years, but he was a great friend. He was strong-willed and independent down to the end. He will be missed dearly.
