“ *To my pal...Mister Nandin...you were such a kind person to me and my sister for so many years. Put that aside and you were a beautiful person to my mom. You made her laugh so often. It was fun to witness and be a part of. You were a joy to be around and a limitless supply of positive energy.*

*As for me, I enjoyed being in your company and learning from you. I enjoyed all the little wagers we made to make each Cowboy game interesting. I enjoyed so many of the little things, like a cool beverage in your back yard, cooking up food for the family at your BBQ's, breakfast down at the local taco house and so much more. You will be greatly missed.*

*We'll see you soon...your pal...Mister Moe*

“ *My life will forever be filled with great memories as a child you would come back from Vegas and bring us all a silver dollar. As I grew up you embraced my family with love and always open your home for us to stay at when we would visit. I know God has a new Angel but I lost a grandfather that I will miss forever Love Liza*

“ *My husband Gilbert was a beautiful person, kind , loving and very generous. There wasn't anyone he wouldn't help out. He was honest and full of life. I will always remember his name for me , "mama" when he needed me. I will miss our morning breakfast and coffee together each morning. He enjoyed intertaining and making friends. I miss you honey so much it hurts. Till I see you again . You will always be in my heart. Grace*❤️

“ To my father in law Gilbert. He always called me Mr. Bernard. He was always very energetic and full of life. His favorite card game was Black Jack. Gilbert loved cars and I learned a lot about mechanics from his knowledge.

I always remember when I was younger dating Jeannette his daughter back in the 1975 he would let be borrow one of his many cars to take Jeannette out to go eat or watch a movie. He was very generous and considerate man. My favorite car to drive was a classic 1969 Rambler he owned.

We used to have so many barbecues in his back yard at Gorham and Cato. He was an excellent host. He was a good husband , father, father in law , grandfather, brother, uncle and friend to all the people in his life. He loved his grandchildren and they loved him. They called him Cranko.

I will miss Gilbert but I know know he is in heaven with God and with all his family and friends who went before him.  
I always called him Dad.

I will miss him .
