“ *My condolences to the entire Perusquia family. Mr. Perusquia was kind and generous with his homemade salsa. Although he didn't know me well, he would send in a jar of salsa with his daughter Mary Ann to give me. I see where she got her kind, giving, beautiful nature. My heart and prayers go out to this wonderful family.*

“ My condolences to my family in Texas. My thoughts and prayers are with you at this sad time. When we were kids, my family would take summer vacations to Texas and we would go to the Alamo, and other attractions around the City. I remember my tio Gilbert joking around with us, and later sitting around the kitchen table with my parents and aunt and uncle telling us funny stories and memories, all the love and laughter. So many good memories. Love to you all.

“ Mr Perusquia was a very kind and wonderful man. It amazed me to see him still working thru his senior years at HEB. He always had a smile when I greeted him. My most heartfelt condolences to the Perusquia family from the Bernal family. May he Rest In Peace with our Father God.

“ My father in law was hard working and was a great provider, he had a great sense humor which made us all laugh. We will always remember his love for adventure and taking road-trips with the family all crowded into his small car. He was a kind and humble man and he served his country in the Army while in Alaska. We always laughed when he told us he went from living in Laredo where temps were over 100 degrees to the freezing cold below zero temperatures. I will miss his stories and conversations, drinking coffee with him. We were blessed to have him live so long and will always remember him. Rest In Peace we love you.

“ To my Great Tio Gilbert. My best memories were growing up you and Tia would visit us in NM. Grandma Lupe would ask me, " do you know who this is"? I'd say Great Tio Gilbert, and she would say " what's so great about him", then everyone would laugh. As I get older and continue to see the passing of family and loved ones I'm reminded of a few truths. This life is short but so precious. Spend it surrounded by family and caring for those you love. Your life with Tia Gloria was a true example of that. Tia Gloria and family my condolences to you, your in our prayers during this difficult time. We love you.
