“ *I didn't know she was ill and I remember her how she looked with the skeleton. She gave me my most beloved fiesta medal (Scobee). She always smiled when I talked with her.*

“Gina and I shared a birthday and many wonderful memories at the Scobee Education Center since 2014. She is a person who touched thousands of people who visited the planetarium over her 15 years at SAC. Each opportunity to speak with Gina left a lasting impression. Gina will long be remembered for her sense of humor and sincere heartfelt caring for other people. We are each better people for having known fear Gina and she will be missed, but not forgotten.
