

## Gladys A. Alvanez

August 22, 1952 - October 21, 2024

On Monday morning 10/21/2024, our mother, Gladys Alderete (Guerra) Alvanez, passed away peacefully at home with her children by her side. Her children and their spouses, grandchildren, great grandchildren, will always have the loving memory that she in return shared with us throughout her entire life. She was a strong, caring and willing to do just about anything kind of woman. She touched many hearts and families throughout her life and career. With her close family members always there alongside to provide caring moments, she very much enjoyed the attention. She now takes the next journey into the life of being a heavenly spirit with the continued guidance of the Lord. She will be missed but never forgotten. “ Our neighbor of 20+ years old. She was our adopted family and we all loved her. My husband would call her "Tumblina" when he would help her get up after a fall and they would laugh because my husband is a clown. Rudy would always make her laugh. The kids loved her. My mom n her were friends. My mom would give her plants and make her seasonal crafts. We would text and talk on the cell. Gladys and Mae (and family) came over the night my Mom passed and we all just talked and talked, that just help the moment. I will always hold that visit dear to me in my heart. I will miss not being able to call or text her. I can't pass by her house without thinking if she is home. We will miss you Tumblina! Thank u for being part of our family.

“ *My Brother, Sisters and I shared a lunch at a Las Palapas restaurant a few months ago with our cousin Adolph, his daughter Mae Christina and her Mother Gladys. It was the first time meeting Mae and Gladys. We had a great time visiting. Gladys was a lovely lady. Her laughter was contagious! She laughed at everything! We had hoped to get together again. She will be missed but there are many great memories of her.*
