“ My deepest and most sincere condolences to Ms. Speer's family. Gladys touched my heart and gave me so many wonderful memories during her time at Villa De San Antonio. She had such an outgoing spirit and a laugh I will never forget. She was actually the very first resident I met when I started working here last year. It was such an honor to know an extraordinary woman. My world was much brighter for knowing her. Fly high with the angels sweetheart. I will miss you tremendously.

All my love,
