“ *My deepest condolences to the family. So many memories that I have to cherish beginning with our years of playing ball in the street, to playing cyo, city ball and in so many tournaments. Then our years at Burbank in OJ's where we would attend the rodeo and footballs games. Taking our trips to Vegas and so many gatherings. I will hold those memories forever in my heart. She is Beautiful inside and out and would give you the shirt off her back. She had a Very Big Heart! Gone but never ever forgotten.*

“ In 1957 Gloria and I were very close (best friends) while attending Loma Park Elementry School. Two little girls that were we were inseparable. We were best friends, sitting close together in class, encouraging each other through class projects. When she moved, I was devastated; and for many years I carried her memory tucked my heart.

*In 1963, while waiting to meet my 9th grade homeroom teacher at Burbank High School, a young lady sitting next to me asked me if I was Dora Elizondo, and there was my best friend Gloria before my very eyes! We did not have any classes together, but we remained friends and would see each other everyday in homeroom.*

*On May 16, 1970 Gloria attended our wedding, and she actually caught my wedding bouquet. To this day, once in a while Gloria would pop into my memory, and I would be happy for her short visit. Today, January 16, 2019 is my 69th birthday, I know it is a big coincidence that Gloria passed on my birthday, and still she brings a smile to my heart that in a small special way we are somehow still connected.*

*Our condolences to Gloria's family and friends, I know how much you love her and what a wonderful person you will always miss being close to again. God Bless Gloria, and may she rest in peace in the loving arms of here departed family members and friends. I know someday we will see each other again. Dora Alicia Elizondo Perez.*
