“ Vincent, Albert, Danny, Lillian and Gene: Our deepest sympathy from the Fred Gaona family. Our thoughts and prayers are with you.

Blessed are they that mourn; for they shall be comforted. Matthew 5:4 May the love and support of family sustain you during your time of sorrow.

Rest in peace, Tia Gloria, rest in peace.

“ Grandma you have given so much to so many and none of us have forgotten every special moment you have shared with us. I remember a time I question my ability to walk or run again, I'll never forget what you told me. "Mijo if you believe that you can you will with my belief in you and God's strength you will." Since then I have never given up on anything I have tried to accomplish. I will always have your Love and strength with forever. I miss you and Love you, and I'll always know that you are always with me and the entire family. We love you.

“ Grandma I miss you so much already. I know you're in a better place and your very happy and not in any more pain. I'm really not ready to let you go but I know I have to. I will hold on to each memory I have and will love you til my last breath. You were always there to give me comfort when I was sad or hurt. And you always made sure the chickens didn't attack me...ha, ha, ha. The kids loved you as much as I did and you will be missed by all of us. We love you so much grandma but we know you will hold our place for when we go home with you.
