“ *My Deepest Condolences to all the family and friends. My heart broke to hear of her passing. I had the honor of working with GG for about 10 years at Santa Rosa Downtown Hospital. The world will truly miss our friend GG. We kept in touch through Facebook. GG was always there if you needed to talk. Always kind to everyone, We were always laughing at the things she would say. I loved the way she giggled. We would join her in her laughter every time. RIP in the arms of our Jesus, Say Hello to Him. Until we meet again. Love you and will truly miss you. Rosie O.*

“ My gran was the most wonderful person , she was the best grandma. She raised me , my brother Brian and my cousin Marc . She taught us the importance of treasuring life’s memories and spending time we have with our family. My gran was my world. There wasn’t a day that I didn’t talk to her . I wish she was still here to support me and my family everyday. I know she fought for as long as she could. I couldn’t have asked for more and I know she is in heaven happy and healed watching over us .

“ My family and I hugged, and spoke with you 2 weeks ago. Until that day it had been years since we last spoke. I had forgotten how your presence fills any room you are in with love and serenity.
Our hearts are shattered in your absence. Aunt Gloria you are sorely missed.
