We little knew that morning that God was going to call your name,
In life we loved you dearly; in death we do the same
It broke our hearts to lose you, you did not go alone.
For part of us went with you, the day God called you home
You left us peaceful memories, your love is still our guide,
And though we cannot see you, you are always at our side
Our family chain is broken, and nothing seems the same,
But as God call us us one by one, the chain will link again.

“ *My deepest sympathy to the family of Gloria Hernandez. I'm sure you have many fond memories of your lives to share. Proverbs 17:17 states: " A true friend shows love at all times And is a brother who is born for times of distress." So take advantage of those grieving with you for mutual comfort during this trying time. May you find peach in this scripture.*

“ I had just recently been blessed with meeting Gloria at work. In all my years I have never met a kinder soul. I have a passion for cooking as well as Gloria and so it was a topic that we touched on often. To this day I have never had potato salad as good as she could make. Best stuff ever and I am sure her family will agree. Our Lord has seen fit to call her home and it is with great anticipation that one day we will all be able to sit once again with Gloria and enjoy her kind and gentle nature. John Stoker
