

Gloria Fe McNeal

March 21, 1925 - May 4, 2007

Gloria Fe McNeal, age 82, of San Antonio, Texas died May 4, 2007. Mrs. McNeal was blessed with a beautiful voice and shared her gift by performing in USO's for our troops during WWII. She is survived by her husband, Donald James McNeal, Sr., who followed her from performance to performance until he eventually won her heart, and they were married in 1943. They were married 64 years. In the 1950's, she was also the star of her own local TV show in Norfolk, Virginia, called Gloria Fe's Trio Time. She was an Army wife for almost 30 years and spent much of her life traveling across the United States and Europe. She was a "stay at home Mom", raising five children, all of whom survive her. Their names: Donald James McNeal, Jr. of Kaneohe, Hawaii, Timothy Patrick McNeal of Woodbridge, Virginia, Adrienne Marie Moffitt of Austin, Texas, Mark Darren McNeal of Austin, Texas and Michael Anthony McNeal of Austin, Texas. She had 11 grandchildren and four great-grandchildren. Gloria was an extremely warm and genuine person who never met a stranger. Everyone she met found themselves helpless to resist her. They were often taken aback by her "Motherly" sweetness, always showing a sincere interest in who they were and where they were from. She will be greatly missed. A memorial mass for Mrs. McNeal will be held Tuesday, May 8, 2007 at 1:00PM at Holy Spirit Catholic Church, 758 Ramsey, San Antonio, TX. 78216.
