“ Gloria and I went to Robert E. Lee High School, class of '61. I wish to extend my sympathies to her husband, Don, and all her family. May she rest in the Lord's arms. Marti Knippa Huseman

“ When Gloria and I were first introduced we instantly bonded like sisters that hadn't seen each other in years. We had ongoing conversations over the years mostly about the purses we liked and disliked. I found it amazing that Gloria had spent several years in France to study, she brought back with her a love of the language and the fashion designers of Europe. This allowed us hours of discussion on fashion and international foods. Gloria always had a fond taste of some of the foods from my country, her favorite was a corn-fritter that I made when she visited. I am so saddened by Gloria's passing and I miss her so much. I will keep Gloria alive in my heart by always recalling the memories we shared.

“ Since the day we first met Gloria she was like a sister to Siska and I, she was the loving aunt to our children whom we will cherish forever. On our joint vacations and trips over the years she was always ready to pull us together and get us moving and laughing no matter the situation. Our side trips for BBQ and Shopping where the times we will all remember. We are heartbroken that she has left us to join the lord but also feel reassured that she is resting peacefully in heaven with our lord god watching over her. Rest in Peace dearest Gloria, you remain in our hearts forever.

*Heartbreaking
that your loving
sister Gloria
passed. Talk to
Gloria as she can hear you.
She will remain
being by your
side and watching over
you. Look for
signs that Gloria
leaves you such
as coins, feathers, even
a scent that reminds you she's around you. Both of
you have a close bond that'll be forever.*
