*Hello Family: Such a beautiful video montage of your mama and all the family. I was so deeply touched to see the legacy Gloria began with all her incredible children and grandchildren. I love the choice of music, many tears here on my end. Wish I was there to support all of you and my beautiful Michelle. I love you and want you to know how proud I am that you all came together as one when it really mattered. I pray blessings over each of you, your families and loved ones, your children and your own grandchildren, and all of my inherited nieces and nephews. :) You have a special place in my heart as will your mom; she touched us all and I will always hold that dear. Sending love and prayers your way, and hugs all around. Thank you for all you have done to help Michelle. We are so blessed by your love. God Bless you and may your mama rest peacefully in the Father's loving arms. Amen.*

“ *My mommy was my rock and my strength, she never gave up on anything no matter how hard things got she would always say to me " My Lord is my Savior and my Husband. She knew that all she had to do was plant a mustard seed and it would one day bloom. Will mommy let me tell your seed has bloomed and all thanks to your prayers. I love you and will miss you. thanks to you, we are five strong welled women and 2 two strong men that will carry on your legacy.*
