“ Tony and family condolences and deepest sympathies to your family from Ozzie and myself during this time. I met Gloria and Tony when I moved to San Antonio in 2009 at the bowling alley. She was the sweetest person I have ever met and Tony was one of the quietest people. She was a really great bowler especially when it came to bowling against us. She always bowled above her average. I always loved bowling against her because I knew she would always do her best and she did. I loved going to bowl because I knew she would be there with the sweet smile she always had. Her and Tony were one of my favorite couples there. She will definitely be missed.
