“ *Glynda and Jim have been our very welcoming neighbors since our move to Chimney Rock 18 years ago. We've shared many pleasant and wonderful evenings together, and we miss her greatly. Our hearts ache for Jim and all the family. In her memory, we're making a gift to the care of homeless dogs and new forever homes for them.*

“ *Mona, my heart aches so very much for your loss. I wish it were something I couldn't relate to. There is nothing more unconditional than our mothers love and the physical loss of them is unlike any other. You are constantly in my thoughts and prayers.*

Love you, Theresa

“ *My sincere condolences over your loss. I never met Glynda, but I know she was an outstanding person because I know her husband well. Jim and I both worked as anesthesiologists and I know Jim is a real character. There is not a doubt in my mind that Glynda was very patient to tolerate his antics. As one gas passer to another, I hope to see Jim at an anesthesia meeting in the near future and I am so sorry for the loss of your beloved wife.*
