“ *I went through Brownie and Junior Girl Scouts with Grace and her mother Rita who was our leader through Cadettes. Grace could find fun and a bit of mischief in anything. We had so much fun camping, singing and crafting. The world is a richer place for having her love and good humor spread among us.*

“ *She was my ride, my partner in mischief, my shoulder to cry on, my snake slayer, my drinkin’ buddy, my pimiento cheese maker, my Louise to my Thelma, my marriage mentor, my beach bud, my responsible rebel, my friend, my sister in Christ, my Gracie. I will miss you so very much, but I am so glad that you found your way back to your soul mate. Rest in Peace my dear friend. I will forever love you and cherish all of the memories we were able to create together.*

To Bonnie and Leonard and your families, know that as long as I am still on this earth, I am here for you in any way you need.

All my love,

GG

“ I remember my first trip down to San Antonio to visit my brother, Jim, and meet Grace for the first time. He told me, "she may be small, but she can really pack a punch!" He also told me he married the nicest person in the world and I would love her! she proved to be all of the above, You've always had a loving heart, Grace, and you always will. RIP
