“ Well, Gracie, we didn't get to go in he rapture together, but I will be seeing you soon. I've been remembering all the fun things we did growing up together: ...catching horny toads by the reservoir; ice skating on Sloan's Lake; sledding down Fenton Street; making a spook house to scare our friends; going to the movies on Saturdays and getting those wonderful Sam's #3 hamburgers; creating "musical" plays for our parents; digging our own swimming pool in your back yard; walking to school together; and finding those "balloons"! But the most important memory I have of you is when we were in Beth Eden Baptist Church, in the main service, and Pastor Sam Bradford gave the altar call... you turned to me and said, " Jeanie, would you like to go forward?" And as a 7 year old shy little girl, I walked up the aisle and gave my heart and life to Jesus. I don't remember the sermon but I remember I was the only one that went forward that Sunday. THANK YOU Gracie for saying those words to your little friend. BECAUSE I AM YOUR FOREVER FRIEND OF 85 YEARS, Jean (Murphy) Hughes Isaiah 61:1-4
