

## Gracie Marie Rangel

November 14, 1970 - April 29, 2026

IN LOVING MEMORY

Gracie Marie Rangel

November 14, 1970 – April 29, 2026

Gracie Marie Rangel, beloved wife, mother, sister, and friend, passed away on April 29, 2026, at the age of 55. Born on November 14, 1970, in San Antonio, Texas, Gracie was raised with strong family values and a deep sense of compassion that defined her life. She proudly graduated from Converse Judson High School and carried her love for family and community with her wherever she went. As a proud San Antonio native, she loved everything about her city—from cheering on the Spurs to participating in Fiesta celebrations, embracing the vibrant culture, and making her famous, delicious gorditas for those she loved. Gracie will be remembered for her unwavering devotion to her family and friends. She had a warm and generous heart, a quiet strength, and a presence that brought comfort and unity to everyone around her. Her greatest joy in life was her family, and she poured her love into them daily, creating a legacy that will live on for generations.

She was preceded in death by her father, Refugio R. Rangel, Jr.; her mother, Esperanza Mojica Rangel; her father-in-law, David Garcia Sr.; her siblings,

Sylvia, Refugio (“Cookie”), Victor, and Maria; and her paternal and maternal grandparents.

She is survived by her loving spouse, David Garcia Jr.; her sons, Aaron Garcia and his wife, Holly;

Matthew Garcia; Bryan Garcia; and Elias Garcia; her siblings, Edward Rangel and his wife, Lena; Betty

Larsen and her fiancé, Jesse Saucedo; Isabel Brunn; Richard Rangel; and Anjanette Langford and her

husband, Lance; her mother-in-law, Louisa Garcia; her brother-in-law, Eric Garcia (and his wife,

Christina); and her sisters-in-law, Cindy Garcia and Patsy Rangel; along with numerous nieces, nephews, extended family members, and dear friends.

Gracie’s life was a testament to love, strength, and faith. Though she is no longer with us, her spirit lives on in the hearts of all who knew and loved her.
