“ *I loved the laughter of all the Garibay sisters when they got together. I loved going to Tia Chela and Tio Raul's house for amazing BBQ and lots of running around. There was a lot of love packed into the tiny house. I love all of you and miss you. God bless you all.*

“ Mom I will always be grateful for the life lessons you thought me and the love you shared with all of us. Always making sure we put God first. I will miss you every day more than you will ever know, but thank God I have so many beautiful memories that I and my family made with you. “ Tia Chela, as we called her, will always have a special place in our hearts. I remember all the weekend visits she and Tio Raul and all nine kids (cousins) would make to Yenta's little house in Laredo. We were packed in tight, but had a blast. All the adults would gather around the kitchen table to drink, argue, and laugh while we all played outside (unsupervised) until the wee hours - the good old days. We moved away from Texas and didn't see each other very often, but my Mom continued to share stories about growing up in the Garibay family. We have all been blessed to be a part of such a loving family. I offer my sincere condolences on the loss of your dear Mother. May she rest in peace and may you all find comfort. Love, Elsie

My heart goes out to all the family. May my Aunt/Godmother rest in in peace, and may God open the gates of heaven to such a lovely person. I remember staying with you guys sometimes for the summer and she always would welcome me with open arms, those are things that as a young person you never forget.

Love you all and may God give you the strength during the time of sorrow.

*God Bless you!
