“ Our sincere condolences to the family. Goya was such a special prima to us. She never failed to greet us with a hug and of course had to squeeze our cheeks! I have a lot of great memories with this beautiful lady. May she Rest in Peace 🕊️❤️. Andy & Dobbie

“ *The passing of a generation... my Mother's sister, my loving aunt, my guelita's guardian angel, and my Mother's most loyal friend. Auntie Goy, my little brother's first word was Goy and hands down she was our favorite aunt. I tried to see my mother through her eyes because she treated Beatrice Rios with so much love and respect. We loved you for that and for being her person. Your various trips to Indiana especially for my graduation from law school and for a cancer scare in 2003, filled my house with your quiet and happy nature. You were so good to the Rios Kids aka (Bea's kids). It won't be the same without you. Finally, you're with your sisters. Love Pat Rios (Jim Shella)*
