“ *My sincerest condolences for the loss of your beloved father. While I only personally met him a few times, I felt I knew him from all the wonderful stories of love and family I heard while sitting across the table of the many lunches I have shared with my dear friend, Linda. She shared her love of her mother, father and family with great enthusiasm, laughter and joy. It is my hope her memories and those that were blessed to know Mr. Guerrero will provide strength during this difficult time. God bless all of you. Keep the faith that he is now basking in the Glory of God in heaven with his beloved wife. God rest his soul.*
