“ Comadre I still can't believe you have left us. You are beautiful inside and out. I will always admire you for your independence and being such a strong woman. You brought so much happiness to us all and will be strongly missed. Even though your brother and I went our separate ways you and your family still considered me part of the family and never turned your backs on me and for that I will internally be grateful. May you rest in heavenly peace. Until we meet again. Love you 🥰
