“ My beautiful Tia. I can't even express how my heart is broken. I know we truly believe there is a beautiful place up there and God will open his arms to you. I had to tell my Naya that as she cried so hard the other night. However I'm still so angry and broken, the whole family is. We go through waves of emotions for you tia. We are sadden and as the tears fall we rejoice in love and laughter of all the great memories we have shared over the years. You loved me and my babies so much and showed that always. I can't thank you enough for all the support and guidance you gave me as a teenager and first time mom. You helped me make my career dreams into reality and let me tell you it's been quite a ride. I share often how you, my mom and tia's have always been great mothers to us. We never went with out as you and your sisters always helped each other out. I will forever be grateful for all the HEB video nights we spent together as a family. All the parties that would go into the early mornings. I think back and laugh because you always had a full house at every holiday and it was just us family. A family party could easily reach over 30 people. In my heart I know you you joined quite a celebration with my beautiful tia meme and my Tios. I will forever love and miss you.

“ So many treasured memories I remember all the times we'd go looking through all the Walmarts in San Antonio even in surrounding little towns looking for knee high shorts in every color. Or a particular style blouse in every single color.

All the times i needed to vent and you'd listen quietly to my whining. My fondest memories of you will forever live in my heart is how you loved me unconditionally, how you just spontaneously call me to remind me you loved me alot, alot , in your words!!!!

The many times you beautifully worded your love for your family. The proudness in your heart for your three children, grandsons. The love you felt for your daughters in laws no matter what. ! I also remember how you loved your sisters , tia chubby our talks will greatly be missed our laughs will follow me all my days of my life. Tia I'm so happy tio pepe made you so very happy. Remember when you said he's the best thing that ever happen to you since your children. ?

I think tio feels the same .

I remember all the food commercials we saw we had to check it out for selves!!!!!! All the ' all you eat buffets " we would laugh cause we couldn't eat all our eyes could see. Lol.....

Tio pepe my Tia thought highly of you she talked about how happy you'd made her , about how you'd grow old together.

Thank you my tio for making her the happiest ever!

Patricia, your mommy could not have put you in a higher pedestal!

She spoke the proudest of you always.

She'd say you guys were best friends.

She'd go shopping and always wanted to buy everything for you , but then she'd laugh and remind her self you weren't a hoarder lol.....

She spoke of how she enjoyed your stops after work each day.!

She spoke of the many enjoyable conversations and laughed because Joseph's love for how grandma was very outspoken with no filter.

Javier when she spoke of you , you could feel her heart melt , she would always say how she respected the man you'd become. How you showed so much love for her. Tia chubby loved your Delia and

*your son D.J. so much.*

*Dario tia chubby always said my baby Dario lol*

*She wanted to give the world to you Dario she honestly did !*

*Johnaton grandma loved you so much , you and Joseph for her everything never get enough of you guys I miss my Tia and our conversations the wherever she is can you guys with her in her heart.*

*I could really go on for days, thank you for all the love that you gave each and every one of us.*

*There is really no words for such a horrible lost. My aunt will live in my heart for the rest of my life.....*

*Lord forever is too long.*
