“ I miss you Tia Lupe. Im gonna miss seeing you at my Moms house everyday. It was fun talking and listening to music and watching t.v. with you. Sometimes all three at once. This is not a goodbye but see you later.

“ Lupita was my adopted sister, that was our so called story...she had a heart of gold and was very affectionate. When I came to visit her no matter what time of day or night Lifetime channel was on her TV and all I had to do was tell her the title and she would say, oh that's the one where.....etc. Lupe knew ALL the programs. I will miss hand wrestling with her every night at 9 which was her bedtime and there were times she beat me fair and square. I will dearly miss your funny sense of humor and I loved making you laugh! I know you will be keeping watch over all of us, including our friend Tyrone...xxoo
