“ *My deepest condolences to all of the family.*

Mrs. Escobar was a great woman that had a very strong faith and loved her family unconditionally. She always welcomed me into her home with open arms and I can remember so many great conversations while sitting on her couch. She treated me like family and for that I will always be grateful. I can remember many times I had the opportunity to have a seat at her table for a homecooked meal and we shared a lot of laughs. Now she has earned her seat beside Mr. Escobar at the table of our Father in Heaven.

“ I’ll never forget the weekend card games. Bingo time with Tia and mom. Her great cooking. The fun dancing and the time they both led the marches on 15ner or weddings. We’re so sorry that we can’t be there to physically hug all of you and be there with you all cousins. Sending lots of love and prayers.
