“ I miss you mom ❤️ every single day. I know your not suffering or in pain anymore & I find peace and comfort in my heart knowing that.. you will b forever missed. I can't believe your gone & it was so painful to see you in eternal rest.. but knowing you gained new life and will live eternally with God , that brings joy to my heart. I hope your dancing in the sky with papi . I miss you both dearly 💔 there will always be an empty space in my heart that you took with you . It belongs to you and you will forever be with me. I love you . Rest In Peace abuelita mia . ❤️

It's a beautiful Blessing that we found each other cousin. And I'm truly grateful for that. I enjoyed our conversations. You would always make me smile. And I'm always keeping you in my heart. But I know that now you're with our Lord and your husband and your loved ones in Heaven. And that gives me comfort. It's not goodbye cousin but until we see each other again. I love you and miss you with all my heart ❤️ ❤️
