Guadalupe A. Gutierrez

December 23, 1931- April 15, 2024

Guadalupe A. Gutierrez, age 92, went to be with the Lord on April 15, 2024. She was a very strong woman and is to be admired for her strength and determination.

Guadalupe was preceded in death by her husband, Danislado Gutierrez, son- Joseph Stephen Avalos; father, Jose Maria Avalos and mother, Guadalupe Molina Arismendez. Sisters: Maria DeLeon, Camila Hinojosa, Manuela Jimenez, Josephina Vasquez, Sofia Avalos, Brother- Alfredo Avalos; and several other loved ones.

She is survived by her brother, John Barbosa; daughters: Judy Ann Dorado, Celia DeLeon, Carmela Garza, Maria Luisa Flores, Maria Teresa Perales and Silvia Hernandez (Alvino). She leaves behind numerous grandchildren, great-grandchildren and great-great-grandchildren and several other loved ones. Mom was known for making delicious dishes, especially her pinto beans, those were a must have and made sure she never ran out. Growing up we remember her making dozens and dozens of tamales to share with all that came to her home and with neighbors. Another must have dish was her chicken with mole, which she made for our birthdays and other family celebrations.

Mom will be dearly missed by all who knew her and her memory will live in the

hearts of those who loved her. Family and Friends will gather to share memories and celebrate the life of Guadalupe. The family will honor her wish of cremation.

“ Mom and I had a rough start when I was younger but our relationship grew stronger after I moved to Houston and she so loved my kids. So many memories and how they laughed at me when I used the run around the house during a thunderstorm and I would dive under a bed or if outside I would dive under a bush. But mom always had good to serve when family and friends or neighbors came over.... She always had homemade tortillas when we got home from school and you couldn't eat just one, so good with actual butter when we were growing up. You are forever in my heart, love you mom.

“ My grandma was the best in all ways, i remember her laughter, smile, her cooking and the taste of her food. Her chicken mole was the best in town. I remember her making me clothes and costumes when i was little and playing in the backyard at her house with my cousins and just having a good time at grandmas house. Every time we went to visit, when we left she always blessed us with the sign of the cross, she did this to everyone of us. We are blessed and were blessed to have her for as long as we did.
