“ *Tori would of loved to have been there, but she understands that being by her disabled brothers side is important. She will pay her respects after everything concludes, in order to ensure her brother and our son will not cause a disturbance. I hope and I pray that the man upstairs is told our beautiful boy deserves a voice like any other child of god, si dios lo bendice. Give our love. Descanse en paz, Grandma Lupe*

“ Grandma, thank you for giving me 42 years of being your granddaughter. I loved every moment with you there's not a single day that I don't think of you since you went to be with the Lord. I cherish the moments when I was a little girl that me and my two sisters Victoria and Marie. would go over and spend the night every weekend with you and Grandpa. Those are the greatest memories I have. You'll always have a place in our hearts until we meet again grandma. This isn't goodbye. Your journey just starting in a whole different beautiful world. R.I.P grandma .
