“ Lupe, I will miss the calls during the Spurs games. You always made me laugh either to praise or complain about the game. Especially when you always asked me "Should I go wake Virgie and tell her?" I knew my bestie wanted to sleep and of course I would ask you to wait till morning. I admired your way of support for us Veterans. your wonderful sense of humor, love of family and "My Virgie" as you referred to your wife. Condolences with a heavy heart to the Obregon Family. You will be deeply missed.

On behalf of the Settles/LeBlanc family, our deepest condolences to the Obregon family. We are all heartbroken to hear of Lupe's passing. We all grew up together and have fond memories of Lupe, even as a young man Lupe had a heart of gold. What a tremendous loss. Please know that you all are in our thoughts and prayers.
