My great Aunt Lupe was a very strong woman; I mean she did live to be 101. That's amazing. She was also kind and generous. She remembered all of us on birthdays, Christmas and graduations and there were a lot of us. She welcomed my oldest brother and me into her home one time when my mother was in the hospital giving birth to one of my younger siblings. It was incredibly memorable. She will truly be missed. My heart, thoughts, and prayers go out to Tony and Patricia and the rest of the family.

“*Tia Lupe was one of a kind! She gave a new meaning to the word feisty and I loved how opinionated she was. Such a smart woman. To this day I can't hear the words 'Popo' without thinking of Uncle Ben. Her heart was the most giving and kindest too though. Some fond memories sitting around the table with a freshly baked cake and a cup of coffee while listening to the stories. Thank you Tia for the memories. You won't be forgotten!!*

Anthony and Patricia, you know I wrap you and the kiddos in lots of love and that I pray for the strength needed for you all for those days where the memories are still fresh and your heartache leaks from your eyes. Memories are what keep our passed loved ones alive in spirit!

Love you! May God be with you!! ❤️🙏
