“ My grandpa and my grandma!!! The foundation of the family! I NEVER in a million years thought this would happen. That my grandma would be there anytime to answer when I call no matter how old I get. There are NO words that will EVER express the pain I have in my heart! My grandparents were like parents to me and nothing will ever change that. It's just like yesterday I still see my grandpa's side ways smirk 😊 and it feels like yesterday I heard my grandma's sweet tender voice talking to me on our afternoon catch up talks 😊. I will always treasure those beautiful moments that I had the blessing and honor to have with them. My heart will FOREVER hurt because I will never physically see, hear or embrace you, but my mind will be at peace because I KNOW your in HEAVEN now watching down on us 24/7. Until we meet again my PRECIOUS ANGELS!!! 😭😭😭😭💔💔💔💔💔💔
