

Mr. Guadalupe Zavala Jr.

May 4, 1971 - August 4, 2020

Guadalupe (Ringo) Zavala Jr passed on August 4, 2020 in San Antonio, TX at the age of 49. He is preceded in death by sister, Debbie Martinez and brother Steve Martinez. Guadalupe is survived by his loving husband Kevin Sitterle-Zavala who has been with Guadalupe for 10 years, married on 1/1/2019; mother Magdalena Zavala, father Guadalupe Zavala, sisters Diane Martinez, Lorraine Vasquez, Jeanette Reyes (Mark), and brother Roger Zavala and numerous nieces, nephews, aunts, uncles and friends.

Lupe loved his Renaissance Family in Naughtyham Shire at Sherwood Forest Faire and brought laughter and joy to everyone he came across. He also loved Comicon's and dressed up for both of these events. You could see him as a Viking, conquistador, Celtic, Papa Appa, wearing his tunic, leather armor, and pup mask. He will be missed by his ren family and all the others that he has met through these events. The nerd side of him loved Harry Potter and liked to play Dungeons and Dragons, World of Warcraft, and various other video games.

Guadalupe loved his dogs Abby and Willow, and especially loved chihuahuas. He would annually help raise money for those in need like God's Dog Rescue (<https://godsdogsrescue.org/>). Donations in his memory would be appreciated.

“ *I've known Lupe for about 25 years and was a friend you can count on when you needed help. I will certainly miss my old friend, especially when watching anime or reading a good science fantasy novel as that would remind me of what we discussed about half the time. He had a keen sense of humor and was adventurous in his demeanor. A new adventure is afoot for my old friend Lou and I think he will excel in that too.*

“ *Lupe, you and Kevin were the first people to welcome Robert and I when we first started going out. Your kindness and loving Spirit made everytime we saw each other a moment to remember. I was so thankful when you invited Jason and I to your wedding. Your jokes, your laugh, and your personality will be deeply missed by me and my family. Thank you for being a friend to us.*

You'll always be the Eastside dog who was a dear friend to this Westside dog.

“ *Lupe... my dear friend... my brother...*

Oddly, you were afraid to introduce yourself to me. You said I was intimidating.

Then, Robert Cowen introduced us after one of our MJL shows. We chatted a bit and hit it off as friends.... Soon, we would become faire-mily.

I will miss your smile and hugs every morning at Sherwood. You and Kevin always showed me love and respect... Thank you for that.

I will take that respect and love with me forever...

Rest well, brother... Your watch is ours now.

“ *Lupe was a light that will forever be missed by many. He was a beacon that drew everyone to him. Lupe was never short of a quip to make everyone laugh. I will always miss sitting with you at the judgement table at Sherwood and our morning breakfasts at camp.*

*Eternally grateful that you are now, and forever will be, my friend.
