“Dad, I wish you were still here with us! I miss you so much and it's hard to believe you have been gone 13 years today. The day you passed was the worst day of my life. There isn't a day that goes by that I don't think about you and miss you. I'm proud to be your son and you were an amazing father. I just wish we could talk one more time. I have so much to tell you and ask you! I love you Dad! Wayno Bye!
