“ So sorry to hear about Todd's passing. He was always a light in the hallways of Hobby and Clark. He always made me feel so special and was so nice to me. His heart was so full of love. I also loved the way he kept up with everything. When I married a football coach, he would ask about him and his team. I will remember Todd forever!

“ I will always remember the real kindness he always showed to everyone he ever came across at Clark High School. He and I would talk many mornings in the school’s courtyard before school. He was a truly good person.

“ I went all through school in San Antonio with Todd, and it was wonderful to see him at a reunion a few years ago. Todd had a great sense of humor, and was a very warm and kind human being. I’m a better person for having known him. My thoughts are with him and the family, and wish you all the best. Todd will be missed, I know.

“ Todd and I went to school from Shenandoah to Clark, and we were good friends all the way through. I just heard of his passing from a classmates and I'm heartbroken to hear of his passing. He and I both have always been called gentle giants, but Todd was gentle, kind, and just an all around good person through and through. May he rest in peace. Please just know, our prayers are with you all.
