“ To my Brother Tony and Father Pete Lopez heaven just became a much more exciting place to be now that Guy has gone to join you. Guyo was always full of laughs and a fun time was sure to be had when he was around.

Heaven is roaring with laughter with the three of you up there. I can hear it now. I will miss my awesome cousin everyday for the rest of my life as i do my brother and father. You always had my back and accepted my partner Red as if he was family from the first meeting. You had such a huge heart that there was room in it for someone I love because you knew he was good for me. My kids all have great things to say about you and nothing but fun times as their memories. We will all miss you and love you until we go to be with you. Love you always.
