“ *Please accept my deepest condolences on your loss. Dr. Wilson leaves you all with a great legacy. I've known him for many, many years though assisting him with wealth management. He was one of my very favorite clients and I always looked forward to speaking with him. We shared a lot of the same values and views on many levels. I am truly glad that I was able to see and visit with him one last time, just the day before he went home to our Lord! I'm sending hugs and prayers to LaRue and family. Much love, Londa Willems*
