

## Hannah Marie Bauer

August 30, 2004 - November 14, 2020

Hannah Marie Bauer was called home on Saturday, November 14, 2020. Hannah was born on August 30, 2004 in San Antonio, TX to Jeff and Lisa Bauer. The love around Hannah grew as she became a big sister to Madalynn in 2006 and Carter in 2009. Hannah smiled most when she was around her brother and sister. She loved listening to soothing music and watching Veggie Tales with her siblings. Those around her knew she loved her fuzzy blankets and socks. There was no mistaking her infectious laugh when she was being tickled on her feet. Hannah knew the voices around her and often turned her head to those she loved, mostly her Mom. Daddy was always trying to convince “Hannah Bugs” to be on his side of arguments. Madalynn was known to be her protector and could be seen holding her hand starting at a young age. Carter was always the thoughtful younger brother who was known to carry her bags and hold open the doors. Hannah deeply touched the hearts of those who knew her. She leaves us smiling through our tears as she taught us what unconditional love and joy meant.

Family and friends will gather to celebrate her 16 years of life with a Rosary on Monday, November 23, 2020 @ 9:30am followed by Mass at 10:00am at St. Matthew’s Catholic Church in San Antonio, TX. A graveside service will take place around 1:30pm in Waelder, TX. at Thompsonville Cemetery.

Hannah is survived by her loving parents Jeff and Lisa Bauer, Sister Madalynn

and Brother Carter of Tomball; Grandparents Marie Carter and Larry VanHook of Buda; W.G. and JoNell Carter of Uvalde; Virginia Fleury of San Antonio and numerous uncles, aunts and cousins. Hannah was preceded in death by her Paternal Grandparents James and Elaine Bauer of San Antonio and Marcel Fleury of San Antonio. She was cherished by many others including her Nurses Yvette Padilla and Michelle Garcia of San Antonio, Misty Polyniak of Magnolia, and the many loving doctors & nurses who dedicated their lives to serving her.

Our precious Angel has gained her wings, but her smile will remain in our hearts forever. To honor her life, we pray that family and friends who knew her will spread her love to each other daily.
