“ *During the darkest point of my life, Hannah was as bright as the sun. She lived fiercely and gave me the courage to take to the sea and reach for the horizon. --Nathan Martinez*

“ I went to school with her in a little town called Stockdale. She was my best friend in school and she was crazy like me lol. We just got back in touch about 4 years ago and she lost touch again maybe a year ago, I didnt know why and then I saw someone post on her timeline and say R.I.P 🥹🥹. My heart broke. I will always love you hannah, always have your back and I know you have mine now.

“ I just knew her for the last year; she was very nice. I tried to help her but I wasn't successful. I will miss seeing her at the bus plaza/McDonald's when I go by there. I miss her energy.
