“ Very loving dad , lots of humor, and loved to watch the cowboys football and Spurs basketball games. In the 70's he liked watching roller derby , he would follow them around the rink just like he was in the race! He had a barbecue sauce that he produced his own recipe and it was really great. He was always there for all his step children also . He was a great dad and will always be in our hearts as one of the best! Rest In Peace dad , your with mom now. With all our love.
