“ *Brooke*

Our hearts and prayers go out to you. God gave you Harper for only a short time, but the love you showed her in that time was more than most children get in a whole lifetime. You are so amazing. We are proud of you. Harper Grace could not have had a better Mother. God knew how amazing Harper was here on earth and decided he wanted her by His side and called her home. She lives on forever in our hearts and minds. One day, hopefully a very long time from now, you will be reunited and she will hug you and tell you how much she truly appreciated all the love and kindness you gave her. For now you are here with the rest of us to be a model of what true love is. We love you so much.
