“ Hazel---Naher,Mein Gott zu Dir

*By now you are half way to Heaven and your loving husband Harry who has been waiting for you for some time as you were waiting to join him. He will lead you through the trails of Heaven. Your wait to be selected for this trip was long and most difficult. You suffered through it all and now you are being justly rewarded. Your pain and suffering is no longer. You will be missed by family and friends and the Pilgrim Church Community. Your goodness and sincerity will be remembered. Time to make new friends.*

*Folks will say (as they often do) why Hazel? That question cannot be easily answered. Perhaps if "we knew God's plan, we would know the rightness and uses of adversity".*

*So Hazel, in my halting Spanish I say "Con Te Partiro". Vaya Con Dios (as I know you will.*
