- Dear Heavenly Father,

Lord, we praise your glorious, Holy Name. You are our Almighty Father in Heaven and we give all glory, honor and praise to you. We give you thanks this day Lord, for your precious gift of Hazel Ruth Stovall Lander. Father, words cannot express how much she meant to all of us and how deeply we loved her. She touched the lives of everyone she met with her kind and gentle spirit. She brought love, comfort, strength, peace and courage wherever she went. Hazel was an exceptional woman and an inspiration to all who had the privilege of knowing her. Lord, we thank you for blessing us by putting her in our lives. She was truly an example of your finest work and we are honored that you allowed us the time that we had to share her life. Lord, as you know, Hazel loved you very much. She was a good and faithful servant so we know that she is with you now. We just ask that you take her into your loving arms and let her know how much we all love her and will miss her. Please tell her that our spirits are celebrating and rejoicing over her arrival home to you. Please take good care of her and let her know that we can't wait to see her again. Mama, we are right behind you and we love you so much. Thank you for everything. It was truly an honor and blessing having you in our lives. I just want you to know that being your daughter has been the greatest joy of my life. We will all see you again very soon. Father, we pray all of this in the name of your Son and our Lord and Savior, Jesus Christ. Amen.
