“Hector was such a great friend to us. He encouraged me and my family through the loss of my mom, Esther Huff. He taught me how to lean in and trust our Heavenly Father through the years at Summit Christian Center. Hector positivity changed lives through the years at USAA, church, school and was a shining example of Christ's love. Your legacy ,Hector, will live on through all the people you touched. My family will miss your bible verse quizzes!

*I'll keep the entire Luna family in my prayers as you all grieve your loss and celebrate his life. The joy of the Lord is your strength.*

“Our condolences to Lynn and family, Hector was such a sweet soul! Still can't believe he is no longer with us, but he is HEALED and rejoicing in Heaven!!! We remember your visits to the home group at the Michaud's. We were so blessed to have had the opportunity to travel with Hector and Lynn to Israel with the 210Church group! My heart is heavy for the family, but what a blessing to have had him as a husband, father, brother, son, cousin and friend!! Hector, our brother in Christ, we will miss you and will be here for your precious Lynn!!!

“ Lynn & Family, I was very saddened to read that Hector had passed away. We send our condolence to you and the entire family. I worked with Hector at USAA and we developed a very friendly relationship. He always brightened my day with a wide smile and a kind word. We also spent some time working at Fiesta Texas the summer of 1993 and he was such a natural in interacting with other people. May the memories of your good times together give you strength as you grieve.

“ i had the privilege of presiding at the marriage of Hector and Lynn 41 years ago in El Paso, Texas. I also had the privilege to spend four days with Hector and Lynn at Lynn's mother's 85th birthday a year ago at Royal Gorge in Colorado. As always Hector was establishing his identity as a person searching out the meaning of life and asking the profound questions of life and death, relationship and faith and hope for the future. now the future is here and we enter into the mystery of life's meaning and especially how each person is unique as a reflection of God and God's creation. We offer thanks to God for the gifts that Hector offered to many of us and his reflection of the God of creation as discovered in the person of Jesus Christ... the Rev Dick Toll

“ Lynn and family,

*Never was there a more decent, caring man of God than Hector. He was a true friend and a absolutely wonderful man. The world is a poorer place without him and all who knew him mourn his passing. We know that he is in a place beyond compare and that his earthly deeds of kindness will not be forgotten. Please stay close to God and your memories and know that everything will work out as the Lord intends.*

“ Hector, you will be missed my friend. I loved your servant's heart. I think you had an anointing to point people to where they could best serve the Lord in and for HIS house at Eagle's Nest and Summit Christian Center. You were an encourager and a supporter of your spiritual family with the Word of God. I will always remember how you lifted me, and many others up in the Lord with the perfect Word from Him. You never hid your light, and you always reminded me not to hide mine and to serve the Lord with all my might in everything I did. Dear Lynn, my prayers are with you and your family. I love you. “ Oh my goodness, this so sad. Like others I have fond memories of Hector. He always had a smile on his face and a hug for me if he hadn't seen me in a while. He made me feel special and included me to help with events at USAA. I can't imagine what life without him will be like for his family. My heart breaks for you because I know he loved you all dearly. May God's loving arms surround you and give you comfort.

“ *There are not enough positive adjectives in the English language to describe this mighty man of God, but if I have to say one thing about him it is that he LOVED well. Once a friend, always a friend. My heart aches at our loss on earth, but rejoices in Hector's journey home to be with His Savior.*
