“ Hector is my uncle... I remember he drove out from Texas where he lived to Downey California. He had a Roadrunner Dodge car. He had an emergency, so he needed to fly back to Texas. He asked if I would start his car once a week and handed me the key. I told him I would. Now let me tell you I was only 14 YO. I drove that car like I stole it... When he returned, he was not to happy with me... I drove that car thru hedges and did donuts on other people's yards. I had a blast driving that car. Thank you Tio
